SUPPORT YOUR JEWISH ASSOCIATION OF THE PHILIPPINES

Do you know that membership in the Jewish Association of the Philippines only costs **PHP18,000** per year for a family and **PHP14,000** per year for singles? Do you know that this small amount goes to paying for all the Shabaton lunches, dinners, events, salaries, lights, maintenance and up-keep of the building. And in addition to all this, your Jewish Association does a lot of charity work.

KINDERMUSIK COMES TO THE GAN

Give Parents Something to sing about!

A New Music Enrichment Program Created by Kindermusik

All New!
for 2 to 6 year olds

Presented by Kindermusik
ABC Music & Me

Singing. Moving. Learning.

A music program unlike any other. Different because this unique, monthly learning program uses research-proven methods shown to help children develop singing, reading, listening, and early learning skills. Plus ABC Music & Me is created by the world's most trusted brand in musical learning—Kindermusik—so every activity is backed by more than 25 years experience in music and child development.

Music enrichment—not music entertainment.

ABC Music & Me is fun, but it's not a free concert with a music teacher. Each week a trained expert in music and child development provides an interactive learning experience for 2 to 6 year old children. After four lessons you'll notice the difference when classroom behavior and listening skills improve—not just in your ABC Music & Me class—but all through the day.

We know how hard you work to keep parents connected to the classroom experience.

We want to help.

Each month parents receive a new ABC Music & Me Home Kit that includes a CD, a new Family Activity Guide, and a new instrument every other month. With these materials, parents don't miss a thing—it's like being right there in the class, learning alongside the child.

How your center benefits:

- Value-added service to your families that's simple and easy to get started.
- A professional music educator visits your center each week, ready to teach a high quality program created by the world's most trusted brand in musical learning.
- Little to no administrative work for you or your staff—at no extra cost.
- A great way to communicate with your parents.

Why parents are going to love this program...

ABC Music & Me Home Kit materials describe in detail every activity from class, as well as provide parents with unique insight and information on how a child learns. It's like having a customized, magazine subscription to what's happening every week at your center.

BOOKS FROM OUR LIBRARY

Every month we will review a book which is in our library. We encourage everyone to use our library. According to Rabbi Talmid, we have the largest library in Southeast Asia. It is here for your reading and learning pleasure.
